Every effort is made to create as comprehensive a bibliography as possible. However, given the extent of publishing in and relevant to the county, there may be occasional omissions. The author would be grateful for the assistance of readers in providing details of any 2011 publications not listed. These will then be included in the next bibliography. Details of 2012 publications would also be appreciated.

The author gratefully acknowledges the assistance of Una Matthewson, Library Staff Officer, Frances Crampsie, Library Staff Officer and Róisín McMonagle, Senior Library Assistant, in compiling this list.
