Every effort is made to create as comprehensive a bibliography as possible. However given the extent of publishing in and relevant to the county, there may be occasional omissions. The author would be grateful for the assistance of readers in providing details of any 2014 publications not listed. These will then be included in the next bibliography. Details of 2013 publications would also be appreciated.

The author gratefully acknowledges the assistance of Una Matthewson, Library Staff Officer, and Frances Crampsie, Library Staff Officer.
